We're excited to share our latest news with you! Thank you for taking a moment to catch up with what's happening at The Turner Group.

School Street Parking Garage Addition Receives SENH Excellence Award

The Turner Group is thrilled to announce that we have been recognized in the category of Special Structures by the Structural Engineers of New Hampshire for its work on the School Street Parking Garage in Concord! The next time you're in our home city, be sure to check out the finished project in person!

FEATURED PROJECT: Everett Arena

If you've driven by Everett Arena in Concord lately, you likely saw some of our work taking place. This beloved fixture in the skating scene now sports a new roof, and the City of Concord looks forward to welcoming residents back to the ice!

Welcome to the Team!

We're busier than ever, and recently added four new team members to the Concord office! Among these are two architects and two engineers. Learn more about our most recent additions to the team and catch up on other news [here](#).

Cutting the Ribbon at Palmer & Sicard, Inc.

We have worked alongside Palmer & Sicard, Inc. on numerous projects, including the recently completed \$24.6 million Hampton Academy renovation and addition. When it was time for them to explore options for a new home office building, they approached us about partnering on the project. [Read more.](#)

DID YOU KNOW...?

There's a long-standing tradition of hanging an American flag from the uppermost structural steel of a building under construction, but did you know that this derives from an ancient Scandinavian religious rite? The practice of "topping out" (or "topping off") a new building is suspected to have began with the tradition of placing a tree atop a new building to appease any spirits displaced during its construction.
